connections

risd career services | rhode island school of design

Creative Connections is a series of programs that prepare you for the professional art and design world. Gain the information you'll need for Wintersession internships, on-campus company recruitment and your fine art or design job search.

Open to all undergraduate and graduate students as well as alumni, the following programs are free of charge but require advance registration.

To register and see a complete list of speaker updates go to:
<http://www.risd.edu/careerprograms> or call 401-454-6614.

Learn about Career Service's dynamic online resources and programs for students and alumni. Our online job and internship board, ArtWorks, and the Online Career Library will be featured along with alumni web sites highlighting the wide range of career paths available to artists and designers.

DEPARTMENTAL PRESENTATIONS + RECRUITMENT

Throughout the fall semester career counselors present customized programs featuring resources to help students prepare for internships, jobs and life after RISD. Please check with your department or Career Services for a schedule of these presentations.

Selected companies plan recruitment visits throughout the year to give presentations, meet with students and review portfolios. Career Services will notify you via email about these opportunities so you can be involved!
