# POSTING WORK ONLINE

---

## *DEVIANART.COM*

Join the largest art community in the world! Membership is free to share and sell your artwork, start your art collection and track your favorite artists!

## *POSTEROUS.COM*

If you can use email, you can have your own website to share thoughts and media with friends, family and the world. You can attach any type of file and we'll post it along with the text of your email.

## *TUMBLR.COM*

Post anything. Tumblr makes it effortless to share text, link photos, quotes, music, and videos, from your browser, phone, desktop, email, or wherever you happen to be.

## *INDEXHIBIT.COM*

Indexhibit is a web application used to build and maintain an archetypal, invisible website format that combines text, image, movie and sound.

## *CARBONMADE.COM*

The easiest way to display and manage your portfolio online. A clean canvas to show off your work. Instant updating with no HTML experience necessary. A set of easy to use management tools.

## *BLOGGER.COM*

Create a blog. It's free. Share your thoughts, photos, and more with your friends and the world. It's easy to post text, photos, and videos from the web or your mobile phone. Unlimited flexibility to personalize your blog with themes, gadgets, and more.

## *FLICKR.COM*

Flickr—almost certainly the best online photo management and sharing application in the world. We want to help people make their content available to the people who matter to them. We want to enable new ways of organizing photos and video.

## *COROFLOT.COM*

The fast, easy way to get your creative projects online and in front of the right people. No charge! Create your portfolio in minutes—no coding needed. With no upload limit, you can share as much work as you want for free.

## *WORDPRESS.COM*

You can get a blog started in less time than it takes you to read this sentence. All you need is an email address. You'll get your own WordPress.com address and a selection of great free and customizable designs for your blog.

## *MYARTSPACE.COM*

MyArtSpace is a social networking service for artist and photographers that allows members to create unique personal profiles online, upload and organize their creative photographs and art works, and communicate with others in the art community globally.

## *STYLEPORTFOLIOS.COM*

StylePortfolios.com is the first and only online portfolio website dedicated to the fashion industry. During our re-launch period, all portfolios are free! Your online portfolio will be exposed to recruiters and design directors from some of the best companies in the business.

## *GOOGLE.COM/SITES*

Google Sites makes creating and sharing a group website easy. Single-click creation. No HTML required. Customizable look and feel. Settings for accessing and sharing information. And it's free!

## *ETSY.COM*

Etsy is an online marketplace for buying & selling all things handmade. Setting up a shop on Etsy is easy and takes only a few minutes. You can customize your shop with a banner, profile, shop policies and more. Sign up for free. It does cost 20 cents to list an item for four months.

## *RISD CAREER SERVICES OFFICE*

401 454 6614

<http://intranet.risd.edu/career>

Add your URL to Career Services' Collection of students and alumni websites viewed daily by prospective employers and galleries. Please email your URL to Kevin Jankowski at [kjankows@risd.edu](mailto:kjankows@risd.edu).
