risd alumni reception - thursday may 15

Interested in sharing images of your work with the group?

We will have a high resolution slide show of alumni work. You can digitally submit work to be shown that night.

Please include work as an email attachment sent to Jerry Shapiro at director@reddoorgalleryrichmond.com

Each work should be an JPEG image attachment to your email, in maximum quality setting, 1920 x 1200 pixels. If your work is very vertical, scale your image to 1200 pixels high; if your work is very horizontal scale your image to 1920 pixels wide. The other dimension will not matter in these cases.

For identification purposes alumni should include Name, RISD year, Degree and Major.

If you have multiple images of the same work, indicate the sequence to be shown (01, 02, 03, etc.); or you may compose them onto a single (or several) 1920 x 1200 image(s).

If you wish to submit video or motion work there will be a time limit for a preview, and you should contact and get details from Steve Hoskins (GD'95) at slhoskins@vcu.edu

Other local questions, please email Paul Bertholet (86 IL) at pbertholet@comcast.net

Meet fellow alumni, share your work and join in a conversation about a future RISD biennial in the Richmond area.
