		Wintersession		3	
<i>Year Total</i>			15	3	15

Total Credits: 66

Total Credits for 2.5 year MID: 84

* Choose three with graduate advisor approval from among these offerings:

ID 2386, Design Methodologies

ID 2476, CAD

ID 2477, Advanced CAD

ID 242G, Graduate Id Studio II

ID 2480, Manufacturing Techniques

ID 2453, Wood II

ID 2452, Metal II

LAEL LE38, History of ID

or a nonmajor elective

General eligibility requirements for the master's degree are listed in the front of this book. The minimum credit requirement for the MID is 66 credits.

All students entering the Department of Industrial Design must participate in its required laptop program, purchasing hardware, software, upgrades and insurance, as specified in the Department's "laptop program requirements and policy guidelines".

Curriculum notes

Students are admitted either to the two year program or the 2.5 year program. Follow the curriculum for the program into which you are admitted.

All graduate students must participate in Wintersession for a minimum of three credits each year. A maximum of six credits may be taken during each Wintersession.
