Curriculum notes

The curriculum above adds up to the 126 credits required for the BFA. The Liberal Arts component is 42 credits, but detail is shown only for 33 of the credits in liberal arts (assuming 12 credits in the First-year Program). To accumulate 42 credits, courses may be taken during Wintersessions or during the Fall or Spring semesters, as scheduling and interest permits. Consult your adviser, the Liberal Arts Office or the Registrar for additional information.

Sufficient elective courses must be completed successfully to fulfill a minimum total of 126 credits necessary for a BFA

degree. Elective courses are to be selected in consultation with the department head or advisor.

For painting majors, some course offerings within this department may count for nonmajor studio elective credit. See adviser for information.
