**NOTICE: WARNING CONCERNING COPYRIGHT RESTRICTIONS**

The copyright law of the United States Code, Title 17 governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified in the law, libraries are authorized to furnish a photocopy or other productions. One of these specified conditions is that the photocopy is not to be "used for any purpose other than private study, scholarship or research". If a user makes a request for or later uses a photocopy for purposes in excess of "fair use" that user may be liable for copyright infringement. This institution reserves the right to refuse to accept a copying order if, in its judgment, fulfillment of the order would involve violation of copyright
