

Off Campus Access to RISD Online Resources

Current RISD students, faculty, and staff can gain access to the library's online resources when off campus.

You must be currently registered in the library's system (if you have checked out books, you are registered). If you need to register, you must come to the library and register in person at the circulation desk. If your registration has expired, please come to the library and update your record at the circulation desk.

Go to <http://library.risd.edu>. Under "RISD Online Resources" choose "Articles" for periodical indexes, "Images" for image databases, "Reference" for reference resources, "E-journals" for electronic journals, or "List All" for all resources. Once you click on the title of an online resource you will be asked for your name (example Jane Doe) and barcode (the number of the back of your RISD ID usually starts with 34444....).

If you have any problems please call the reference desk at 401-709-5902 or email us at risdlib@risd.edu.
