

WEEKDAYS:

Check risd.edu for schedule

We look forward to your visit to RISD for our undergraduate student information program and tour.

A member of our Admissions staff will provide an introduction to the college and Providence – our academic programs, facilities, campus community, application procedures and lots of other good-to-know stuff. Questions are encouraged and answers will be provided. Current students will then lead tours of the campus.

The information program begins at 1:00 p.m. and the program and tour typically take about three hours. Reservations are required and may be made online. Contact the Admissions Office with any questions at 401 454-6300, 800 364-7473 or admissions@risd.edu. Weekday programs take place in the:

RISD Admissions Office
