MAKING AND  
KNOWING**

## 1. JUST SOCIETIES

Diversify our community and expand access to RISD

Advance understanding of social equity and inclusion through research and education

Promote civic learning and action through cohesive community engagement practices

# JUST SOCIETIES YEAR ONE

## **2. SUSTAINABILITY**

Adopt renewable energy sources and green building practices on campus

Advance critical research at the nexus of art, design and living systems

Align our research and studio work in this area with a global network of experts

# SUSTAINABILITY YEAR ONE

### 3. NEW WAYS OF MAKING AND KNOWING

Develop innovative curricula and pedagogy that reflect our values

Increase our overall research capacity and output

Establish an ecosystem of labs for interdisciplinary inquiry and exchange
