

# JUAN MANUEL BALSA

## Architect & Professor

Juan Manuel Balsa graduated from the Facultad de Arquitectura, Urbanismo y Diseño of the Universidad Nacional de Córdoba, Argentina. In 2017 he won the Latin American Scholarship awarded by the University of Navarra to study the Master's Degree in Architectural Design (ETSAUN) in the city of Pamplona, Spain. Currently, he is Adjunct Professor at the School of Architecture & Design of the Wentworth Institute of Technology and Tenured Associate Professor at the Facultad de Arquitectura Urbanismo y Diseño (UNC-ARG). He has given conferences internationally and his academic and professional work has been exhibited in Argentina, Chile, Ecuador, Mexico, Spain, Italy and the United States. Founding partner of the "**Balsa Crosetto Piazzì** Oficina de Arquitectura", which together with its partners has been awarded numerous prizes in prominent national and international architecture competitions.

## CORE EDUCATION
