Your 2022–2023 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called Verification. The law says that before awarding Federal Student Aid, we are required to ask you to confirm the information you reported on your FAFSA. To verify that you provided correct household information, we will compare your FAFSA with the information on this Household Verification Form and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You (and your spouse, if applicable) must complete and sign this Household Verification Form and submit the form and other required documents to us. If you have any questions, contact Student Financial Services as soon as possible so that your financial aid will not be delayed.
